The Saint Paul Police Department Professional Development Institute is sponsoring a two-day course in officer survival training. Street Safe-Surviving Violent Encounters is geared toward the officers assigned to patrol. This course will cover practical shooting and tactical strategies for dealing with violent situations that officers encounter. Tactical solutions for shooting on the move, shooting at moving targets, shooting from seated, prone and other non-traditional positions are also included. All students will participate in the Officer Reaction Course. This portion of the course utilizes our Hogan's Alley. Each student will be run through force on force training scenarios using Simunitions and CQB tactics during realistic scenarios. This course also includes an updated classroom presentation covering new equipment, tactics, and trends in law enforcement use of force encounters.

Equipment: Participants will need to bring their duty belt and all on duty equipment, department authorized firearm with three magazines, their department duty long gun (shotgun, sub-machine gun, squad rifle), baseball style hat, wrap around eye protection, hearing protection, and a mouth guard.

Ammunition: Each student will need to bring 1000 rounds for their duty handgun, 200 rounds of ammunition for the rifle and or submachine gun or, 150 rounds if your shoulder weapon is a shotgun.
